

The editorial board supports the initiative of the Science Europe association “Plan S” to publish the results of scientific research in open access publications with a CC BY license. Potential authors of the collection issues, together with the article, submit an electronic version of the **Creative Commons Attribution-NonCommercial NoDerivs (CC BY-NC-ND) License with signatures.**

If a violation of ethical norms is detected after publication, the collection may take appropriate editorial actions - from making corrections to withdrawing the article. The decision is made in accordance with the COPE recommendations.

In accordance with the requirements of COPE, the publisher places the following information on the first page of each publication:

Publisher: Institute of the Ukrainian Language of the National Academy of Sciences of Ukraine, *year*. The article is published under the terms of open access under the Creative Commons license: CC BY-NC-ND license (<https://creativecommons.org/licenses/by-nc-nd/4.0/>).
